Experience
Rancho Cordova's
Barrel District

a fresh take.
RANCHO CORDOVA
CALIFORNIA

If you're looking for a one-of-a-kind libations experience, head to the Barrel District for an award-winning good time.

The Barrel District is the newest place in Rancho Cordova for craft beer, craft cocktails and mead, also known as honey wine and often referred to as "nectar of the gods." The Barrel District boasts the only two distilleries in the region since Prohibition and the only meadery in the region.
